**DEED**

STATE OF NEW JERSEY )  
 ) ss. KNOW ALL PERSONS BY THESE PRESENTS:  
COUNTY OF UNION )

THIS DEED ("Deed"), is made on December 21, 2007, between GENERAL MOTORS CORPORATION, a Delaware corporation, whose address is c/o Worldwide Real Estate, 200 Renaissance Center, Mail Code: 482-B38-C96, P.O. Box 200, Detroit, Michigan 48265-2000, referred to as the "Grantor", and LINDEN DEVELOPMENT, LLC, a New Jersey limited liability company, whose address is c/o Duke Realty Corporation, 5600 Blazer Parkway, Suite 200, Dublin, Ohio 43017, referred to as the "Grantee."

**Transfer of Ownership.** The Grantor grants and conveys (transfers ownership of) the property ("Property"), described below to the Grantee. This transfer is made for the sum of One Million, Three Hundred Eighty-Three Thousand, Eight Hundred Fifty and No/100 Dollars (\$1,383,850.00). The Grantor acknowledges receipt of this money.

**Tax Map Reference.** (N.J.S.A. 46:15.1-1) Municipality of Union, Block 470 Lot 9

☒ No property tax identification number is available on the date of this Deed. (Check box if applicable).

**Property.** The Property consists of the land and all the buildings and structures on the land in the City of Linden, County of Union and State of New Jersey. The legal description for the Property is attached hereto as Exhibit A.

**Promises by Grantor.** The Grantor promises that the Grantor has done no act to encumber the Property. This promise is called a "covenant as to grantor's acts" (N.J.S.A. 46:4-6). This promise means that the Grantor has not allowed anyone else to obtain any legal rights that affect the Property (such as by making a mortgage or allowing a judgment to be entered against the Grantor).

**Deed Restriction.** Notwithstanding anything to the contrary, Grantee takes the Property subject to those matters shown on Exhibit B attached hereto and made a part hereto and to the following restrictions, which restrictions shall run with the Property and bind Grantee, its successors and assigns:

or administrative orders, including any and all permits, licenses, or authorizations issued thereunder, including, but not limited to, any and all due care requirements under New Jersey law and all Federal and State requirements/guidelines (collectively "Environmental Laws"), in connection with or related to the use, operations, development, excavation, (including off-site disposal of site soils and the mitigation of vapor intrusion with respect to the remediation/redevelopment of the Property) grading, construction, or demolition, at, in, on, or below the Property. Grantee, its successors and assigns shall be solely responsible and liable for any and all issues related to the migration of water within the Property and off of the Property. Grantee, its successors and assigns shall be solely responsible and liable for any and all alleged or actual violations of any applicable Environmental Laws concerning or related to the Property.

(ii) Grantee acknowledges and agrees that use of groundwater at, in, or under the Property by any person or entity for any purpose, including potable and non-potable uses, shall be strictly prohibited.

(iii) Grantee represents, acknowledges, and agrees that, at Closing, the Property may contain various discarded materials, including, but not limited to, building materials from demolition activities; domestic and industrial trash; tires; automotive parts; used containers which held materials such as paint, antifreeze, gasoline, and other chemical substances; materials painted with lead-based paints or otherwise, wood, concrete, brick, and floorblock; and building materials which may contain asbestos-containing materials, and roof shingles (these discarded materials are herein collectively referred to as "Debris"). Grantee acknowledges and agrees that Grantee, and not Grantor, shall be solely liable and responsible for such Debris and all matters relating thereto, including the proper management and disposal of such Debris. By way of example, but not limitation, Grantee shall comply with all guidance/policy directives of the New Jersey Department of Environmental Protection ("NJDEP") regarding the recycling/re-use of concrete waste generated by demolition of buildings located on the property. Grantee further represents, acknowledges, and agrees that any and all soil and/or Debris management and surface water and/or groundwater management required or necessary under applicable laws or regulations or because of excavation, demolition, or soil disturbance related to the use, operations, development, excavation, grading, construction, or demolition, at, in, on, or below the Property is the sole obligation and liability of Grantee. Such soil and/or Debris management and surface water and/or groundwater management may include in-place management, excavation, sediment and erosion control, and disposal or other soil and Debris management options which are allowed or required under applicable Environmental Laws. Seller shall waive the requirement that this subparagraph (iii) relating to the Debris be included in any deed, lease or other agreement as set forth above provided that Purchaser delivers to Seller evidence (which shall include photographic evidence of the Property), reasonably acceptable to Seller, that Purchaser has removed all Debris from the Property in accordance with all applicable laws, including, without limitation, all Environmental Laws. Seller shall be entitled to, but not obligated to, audit and conduct its own investigations to confirm such evidence provided by Purchaser. In the event that such audit or investigations indicate that Purchaser has not removed all such Debris from the Property, Seller shall not waive the requirement that this subparagraph (iii) be included in any deed, lease or other agreement and Purchaser shall promptly reimburse Seller for the reasonable costs and expenses incurred by Seller in conducting such audit or investigation.

(iv) Grantee covenants and agrees that it shall not "treat," "store" or "dispose" of any "hazardous substances," "hazardous wastes" or "toxic substances" as those terms are defined under CERCLA, 42 U.S.C. 9601 et. seq., RCRA, 42 U.S.C. 6901 et. seq., or TSCA, 15 U.S.C. 2601 et. seq., or under similar New Jersey law, statute, or regulation, on, at, or below the Property, and shall maintain generator-only status; provided, however, that Grantee may (A)

accumulate such substances or wastes as allowed under applicable Environmental Laws for off-site treatment, off-site storage, or off-site disposal, and (B) use and/or store commercial products on-site which may contain such substances.

(v) Grantee acknowledges and agrees that the Property may only be used by Grantee, its successors, assigns, and tenants for industrial and commercial uses except as otherwise permitted in subparagraph (viii) below. Such prohibited uses include, but are not limited to, residential uses, day care centers, schools, hospitals, and long-term care facilities or other similar uses that would typically require cleanup to unrestricted use standards under applicable New Jersey law. Grantee further acknowledges and agrees that any site modifications or redevelopment limitations required at, in, on, or below the Property or modification to building design or construction to accommodate allowable industrial and commercial uses (and residential uses if permitted by Grantor) hereunder consistent with Environmental Laws, remedial systems on the Property of any kind, or otherwise, is the sole obligation and liability of Grantee (or the owner of the Property at the time of such activities) and will be conducted at Grantee's sole expense.

(vi) Grantee acknowledges and agrees that, at Closing, the Property may contain underground process or utility lines or piping, including, without limitation, sanitary or storm sewers and gas, water, electrical, fire protection and septic systems, and any other similar utility lines or piping which may be present at or below the Property (herein collectively referred to as "Utility Lines"). Grantee further acknowledges and agrees that Grantee, and not Grantor, shall be solely liable and responsible for such Utility Lines and all matters relating thereto. Further, Grantee acknowledges and agrees that any and all management, including, but not limited to, maintenance, removal, repair, or associated cleanup of the environment, of or due to any such Utility Lines that may be required or necessary: (a) under applicable Environmental Laws or other laws or regulations, (b) to properly maintain the Property, or (c) because of excavation, demolition, or soil disturbance related to future use, development, or construction at or of the Property, is the sole obligation and liability of Grantee or the owner of the Property at the time of such activities.

(vii) In the event (a) Grantor is notified by United States Environmental Protection Agency (the "USEPA"), the NJDEP, any other local, state or federal agency or governmental entity or any other third party (that has a right or standing under applicable law to compel or seek any action) that Grantee has failed (or Grantor becomes aware of any such failure) to complete any Response Activities (as defined below) with respect to the Property in accordance with the foregoing, the Orders (as defined below) or any applicable law, and (b) Grantor is required by USEPA, NJDEP, any other local, state or federal agency or governmental entity or any other third party (that has a right or standing under the applicable law to compel or seek any action) to take any Response Activities with respect to the Property, and (c) Grantee fails, within sixty (60) days (or such shorter time period as required by USEPA, NJDEP, any other local, state or federal agency or governmental entity or such other third party) after the date Grantee receives a default notice from Grantor or USEPA, NJDEP, or otherwise, to either complete such Response Activities in accordance with this Deed and the Orders or any applicable law, or notify Grantor and USEPA, NJDEP, or other state agency that Grantee is contesting such default notice, Grantor shall be entitled to, but shall not be obligated to, complete such Response Activities at Grantee's sole cost and expense. Notwithstanding the foregoing, if Grantee elects to contest such default notice, Grantee shall promptly provide Grantor with reasonable evidence of the basis for such objection and shall indemnify, defend (with counsel reasonably acceptable to Grantor) and hold Grantor, each affiliate of Grantor, and their respective members, partners, venturers, stockholders, officers, directors, employees, agents, spouses, legal representatives, successors and assigns harmless from and against any and all claims, including without limitation, any and all costs, liability, damages, penalties, causes of action, judgments and expenses, including, without limitation, reasonable

attorneys' fees and costs, arising out of or related to Grantee's contest. Grantee shall deliver to Grantor all default notices received by Grantee from USEPA, NJDEP, or any other local, state or federal agency or governmental entity relating to any remediation action with respect to the Property in accordance with this Deed, the Orders or any applicable law. If, following the procedures set forth above, (a) Grantor is required to take such action to cure Grantee's failure as described above, or (b) the USEPA, NJDEP, or any other local, state or federal agency or governmental entity requires Grantor to reimburse USEPA, NJDEP, or any other local, state or federal agency or governmental entity for any amounts relating to Grantee's operations at or remediation of the Property, Grantee shall, within ten (10) business days after receipt of an invoice from Grantor, reimburse Grantor for all costs and expenses or other payments incurred by Grantor, by wire transfer to an account designated by Grantor. Grantor hereby reserves unto itself, its representatives, contractors, and assigns, the right of access to, and an easement to and over, the Property to enter the Property with persons and such equipment as determined necessary in Grantor's sole discretion and judgment to complete Grantee's obligations in accordance with this Deed, the Orders or any applicable law, and to implement the remediation and corrective actions required thereunder, subject to the terms of subparagraph (vi) above. In the event Grantor wishes to exercise its right of access to the Property as set forth in this subparagraph (vii), Grantor shall (a) provide Grantee with at least 24 hours prior notice (which may be telephonic notice), except in the case of an emergency, in which event no notice shall be required, (b) shall use reasonable efforts to minimize the interference with Grantee's operations, and (c) obtain and maintain, at Grantor's sole cost, and provide a certificate of insurance to Grantee, of general liability insurance in the amount of One Million Dollars (\$1,000,000) combined single limit for personal injury and property damage per occurrence. Notwithstanding the foregoing, Grantee acknowledges that Grantor shall be entitled to self-insure any or all of the insurance requirements above. For purposes of this subparagraph (vii), (a) "Response Activities" shall mean Purchaser's agreement to undertake cleanup, remediation, investigation, sampling, monitoring, inspection, evaluation, construction, installation, operation and maintenance of any remedial systems installed at, in, on, or in connection with the Property, and make all filings associated therewith (including but not limited to Deed Notices and Classification Exception Areas) and undertake periodic assessments and/or certifications regarding the continued protectiveness of the environmental remediation required to be taken by Purchaser relating to the environmental conditions on, under, in, or migrating from the Property pursuant to and in accordance with all Environmental Laws, the Orders, and any other corrective action agreement entered into by Purchaser and USEPA, NJDEP or any other governmental agency, and any subsequent agreements or orders entered into with or issued by USEPA, NJDEP or other governmental agencies related to the Property, at Purchaser's sole cost and expense; and (b) "Order" shall mean any agreement to complete the Response Activities with respect to the Property.

(viii) Notwithstanding subparagraph (v) above, a portion of the Property described on Exhibit C hereto (the "Parcel") may be used for residential uses only upon satisfaction of the following terms and conditions: Grantee acknowledges and agrees that, prior to any such change in use, Grantee shall conduct an appropriate investigation of the Parcel acceptable to Grantor to determine whether the environmental condition of the Parcel meets applicable regulatory cleanup criteria or standards for the proposed residential use (including investigation and mitigation of vapor intrusion) which assessment will, at a minimum, be consistent with American Standard for Testing Materials ("ASTM") standards (or other similar industry standard which is generally recognized and accepted at the time of the investigation) for a Phase I site assessment. Grantee shall conduct a Phase II site assessment acceptable to Grantor to determine whether the environmental condition of the Parcel meets applicable regulatory cleanup criteria or standards for the proposed residential use (including investigation and mitigation of vapor intrusion). The Phase II investigation will, at a minimum, investigate (a) VOCs, SVOCs and metals in

accordance with a statistically derived sampling plan for the Parcel and based on the parameters for such substances as set forth in the Quality Assurance Project Plan previously delivered to Grantee (and which shall be part of the Environmental Reports), and (b) any recognized environmental conditions identified in the Phase I. If such Phase I and/or Phase II environmental site assessments disclose conditions which do not meet regulatory cleanup criteria or standards for the proposed residential use, Grantee acknowledges and agrees that Grantee will be solely responsible and liable for conducting cleanup or remediation at or of the Parcel required or necessary to achieve such applicable cleanup criteria or standards for the proposed residential use prior to conducting such proposed residential use. Grantee shall provide Grantor with copies of the reports of any Phase I and/or Phase II site assessments conducted at the Parcel and any reports detailing cleanup or remediation conducted by Grantee at the Parcel, if required, to meet applicable regulatory cleanup criteria or standards (including vapor mitigation) for the proposed residential use. Grantor will waive the provisions of this subparagraph (viii) and will record such waiver with the deed to the Parcel if Grantor is reasonably satisfied that Grantee has met its obligations under this subparagraph (viii).

Entire consideration is in excess of \$1,000,000:

PROPERTY CLASSIFICATION CHECKED BELOW SHOULD BE TAKEN FROM THE OFFICIAL TAX LIST (A PUBLIC RECORD) OF THE MUNICIPALITY WHERE THE REAL PROPERTY IS LOCATED IN THE YEAR THAT THE TRANSFER IS MADE.

(A) When Grantee is required to remit the 1% fee, complete below:

☐

Class 2 - Residential

☐

Class 3A - Farm property (Regular) and any other real property transferred to same grantee in conjunction with transfer of Class 3A property

☒

Class 4A - Commercial Properties

(if checked, calculation on (C) required below)

☐

Class 4C - Residential Cooperative Unit (4 Families or less)

(B) When Grantee is not required to remit the 1% fee, complete below:

☐

Property class. Circle applicable class(es): 1 4B 4C 15

Property classes: 1-Vacant Land, 4B-Industrial properties, 4C-Apartments (other than cooperative unit), 15-Public Property

☐

Exempt Organization pursuant to federal Internal Revenue Code of 1986

☐

Incidental to corporate merger or acquisition and equalized assessed valuation less than 20% of total value of all assets exchanged in merger or acquisition (If checked, calculation in (C) below required and MUST ATTACH COMPLETED RTF-4)

(C) REQUIRED CALCULATION OF EQUALIZED ASSESSED VALUATION FOR ALL CLASS 4A COMMERCIAL PROPERTY TRANSACTIONS: (See Instructions #6 and #7 on reverse side)

Total Assessed Valuation + Director's Ratio = Equalized Valuation

\$ 732,000.00 + 44.05 % = \$1,661,748.01

If Director's Ratio is less than 100%, the equalized valuation will be an amount greater than the assessed valuation. If Director's Ratio is equal to or in excess of 100%, the assessed valuation will be equal to the equalized value.

(3) TOTAL EXEMPTION FROM FEE (See Instruction #8 on reverse side)

Deponent states that this deed transaction is fully exempt from the Realty Transfer Fee imposed by C. 49, P.L. 1968, as amended through C. 66, P.L. 2004, for the following reason(s). Mere reference to exemption symbol is insufficient. Explain in detail.

(4) Deponent makes Affidavit of Consideration for Use by Buyer to induce county clerk or register of deeds to record the deed and accept the fee submitted herewith pursuant to the provisions of Chapter 49, P.L. 1968, as amended through Chapter 33, P.L. 2006.
